

- I wonder which part of SPIRIT you like the best?
- I wonder which part SPIRIT is the most important?
- I wonder which part of SPIRIT you like the least?
- I wonder if there is a part of SPIRIT we could leave out and still everything we need?
- I wonder which part of SPIRIT is most about you?

- Where do you see yourself in these styles? (you can be in more than one or different ones at different times).
- Where do you see some of the children and young people you know in these styles?
- What activities do you already do that fit into these styles?
- What other activities could you do to help children and young people engage with their spiritual styles?
